STATEMENT

I, the writer of this thesis, entitled :

THE EFFECT OF PERCEIVE USEFULNESS AND PERCEIVE EASE OF USE FOR USING E-PAYMENT UNDER FINANCIAL TECHNOLOGY IN SPECIAL REGION OF YOGYAKARTA

Completely my own work. Statements, ideas, or quotations, either directly or indirectly, that are sourced from the writings or ideas of others are stated in writing in this thesis in the belly notes and bibliography. If it is later proven that I have partially or completely plagiarized this thesis, the degree and diploma that I have obtained will be declared null and void and I will return them to Universitas Atma Jaya Yogyakarta.

CONFERENCE PARTICIPATION

Some parts of this thesis have been presented in the international conferences to get some feedbacks in order to improve the analysis and discussion;

The conference was held by :

1. 1st International Conference : On Law, Business, and Good Governance 2024 “Opportunities and Challenges toward Sustainable Development”, held by Universitas Atma Jaya Yogyakarta, Yogyakarta on 26-27 July 2024, Entitled : “THE EFFECT OF PERCEIVE USEFULNESS AND PERCEIVE EASE OF USE FOR USING E-PAYMENT UNDER FINANCIAL TECHNOLOGY IN SPECIAL REGION OF YOGYAKARTA ”.

ACKNOWLEDGMENT

Praise the Lord Jesus Christ for His guidance and grace, the researcher can complete the thesis entitled “The Effect of Perceive Usefulness and Perceive Ease of Use For Using E-payment under Financial Technology in Special Region of Yogyakarta”. This thesis is part of the final requirement for obtaining the Bachelor of Management at the International Business Management Program of the Faculty of Business and Economics, Universitas Atma Jaya Yogyakarta.

The completion of the thesis process cannot be completed without the support of so many parties. Therefore, the researcher would like to express the gratitude for :

1. My family, Mama, Papa, and Alena, for their continuous support, encouragement, and advice all the time and pray for the researcher’s success in the thesis completion.
2. Prof. Dr. Sukmawati S., MM. as my thesis supervisor for the advice and suggestion, the patience in explaining and guiding me to complete the thesis. Without your direction, this thesis will not be able to finish properly.
3. My best friend, Vincentia Sekar, for always ready to put her ears to listen to all my stories and filled my life with joy.
4. Ummi Adilah, for always picking up my call every time I need someone to talk about my thesis, supporting me to finish my thesis.
5. Akamsi Mighty members, Ummi Adilah, Sekar Anindya, Luciana, Erika Kawengian, Indira, Theresa, and Dea Tetew, who accompanies and adds color to my college life.
6. DBL Academy Jogja and all of the members, who support and gave me opportunity to learn much things in a way of working.
7. tOl squad (Michelle, Annabel, Tata, Ayak, Achika, Saniyya, Ilma) who have filled my life with joy.
8. All classmates of IBMP batch 20, for the support and the help during the college life.

9. To all my respondent who wants to give time to fulfill my questionnaire that can make this research happened.

Finally, the author realize that this thesis is not perfect enough. The author is open for any criticism and suggestions that can make this thesis completer and more reliable for further research.
