

BAB V

PENUTUP

Pada bab V ini merupakan bagian paling akhir dari keseluruhan karya penulisan penelitian Pengaruh tanggapan *Store Atmosphere* Terhadap Keputusan Pembelian Konsumen Bong Kopitown. Bab terakhir ini, pertama kali akan menyajikan kesimpulan atas hasil penelitian yang berupa uraian singkat hasil penelitian yang mengacu pada pertanyaan atau tujuan penelitian. Kemudian selanjutnya akan dipaparkan kritik tentang kelemahan dan saran selama proses penelitian.

5.1.Kesimpulan

Pada sebuah penelitian kesimpulan perlu dilakukan sebagai generalisasi atas hasil penelitian berdasarkan data penelitian yang ada. Kesimpulan dapat pula dikatakan sebagai rangkuman-rangkuman atas hasil penelitian yang telah dilakukan. Berikut ini adalah kesimpulan yang dihasilkan dalam penelitian ini.

Berdasarkan hasil analisis dan pembahasan yang telah dilakukan, maka dapat diambil kesimpulan dari hasil analisis *statistic deskriptif* diketahui bahwa terdapat pengaruh *store atmosphere* terhadap keputusan pembelian konsumen Bong Kopitown. Maka dari itu hasil penelitian terbukti sesuai dengan teori bahwa “Atmosphere (suasana toko) adalah suasana terencana yang sesuai dengan pasar sasarannya dan yang dapat menarik konsumen untuk membeli” (Kotler,1997)

Pada hasil penelitian ini tidak semua aspek dari *store atmosphere (exterior, interior, store layout, interior point of interest display)* memiliki pengaruh yang besar terhadap keputusan pembelian. Hasil analisis dalam penelitian ini dapat diketahui bahwa aspek *store atmosphere* yang memiliki pengaruh paling besar terhadap keputusan pembelian adalah aspek *interior point of interest display*.

5.2.Saran

Meskipun secara *store atmosphere* terbukti berpengaruh terhadap keputusan pembelian, namun dari item-item pertanyaan yang diajukan pada kuesioner penelitian ini. Ada beberapa item-item pertanyaan yang perlu ditindak lanjuti atau lebih diperhatikan oleh manajemen Bong Kopitown. Disini penulis memberikan saran terhadap manajemen Bong Kopitown untuk lebih meningkatkan dan memperhatikan beberapa item yang dirasa kurang yaitu seperti pada aspek *exterior* pada pertanyaan mengenai keamanan kendaraan saat parkir dijaga dengan baik. Penulis berharap agar manajemen Bong Kopitown lebih memperhatikan terhadap keamanan kendaraan konsumen dapat dijaga dengan baik agar para konsumen lebih tenang. Kemudian pada aspek *general interior*, pihak manajemen Bong Kopitown seharusnya lebih memperhatikan alunan music yang sesuai untuk disajikan pada konsumen agar para konsumen lebih nyaman dan santai. Selanjutnya pada aspek *store layout*, penulis berharap agar manajemen Bong Kopitown juga lebih memperhatikan kebersihan dan kenyamanan toilet yang disediakan agar para konsumen lebih nyaman untuk memakai fasilitas toilet yang sudah disediakan.
